- About any other records with a federal agency, like federal worker's compensation (OWCP) or the Public Health Service

GATHER & UPLOAD

- Work with your private or VA doctor to complete appropriate Disability Benefits Questionnaires (DBOs)
- Gather all private medical records including completed DBQs to speed up the processing of your claim
- Gather statements from your friends and family supporting your claim
- Scan and upload your documents

FINAL REVIEW

- Once all records are uploaded (and if applicable, your VSO has reviewed the claim), verify that you
 have No More Evidence and click Submit
- You'll receive a confirmation number and notice at your eBenefits Message Center and via your email address of record indicating that your claim was submitted successfully. Check the status of your claim 24/7 by logging on to your eBenefits.va.gov account.
