Note: There are other groups of individuals who may be eligible. To determine your eligibility, check eBenefits or VA at 1-877-827-3702.

KEY UNDERWRITING CRITERIA:

- No maximum debt ratio; however lender must provide compensating factors if total debt ratio over 41%.
- No maximum loan amount; however, VA does limit its guaranty; Veterans can borrow up to $424,100 without a down payment in most of the country. Find out the limit in any county.
- Published residual income guidelines to ensure Veterans have the capacity to repay their obligations while accounting for all living expenses.
- No minimum credit score requirement; instead VA requires a lender to review the entire loan profile to make a lending decision.
- See the complete VA credit guidelines.

HOW DO I START THE PROCESS?

VA provides policy, guidelines and oversight of the program. Lenders provide financing for eligible Veterans. The guaranty allows Veterans to obtain a competitive loan without a down payment. Lenders need a Certificate of Eligibility (COE) to prove your entitlement. Most Veterans can obtain the COE online through eBenefits. Lenders also have the ability to request the COE on your behalf.

VA encourages prospective buyers to talk to several lenders to find one that fits their needs, knows the VA loan program, and offers competitive rates and terms.

Note: The VA appraisal is not intended to be an “inspection” of the property.

A Veteran should get expert advice from a qualified residential inspection service before legally committing to a purchase agreement. Veterans are also encouraged to have radon testing performed.
