Release Notification

From: LGY

Version: 25.1.0

Production Deployment Date: October 29, 2024 @ 8:00 PM CT/9:00 PM ET

Focus of Release: LGY 25.1.0 release includes enhancements and updates to the Funding Fee Payment System (FFPS) authentication method, automation of Application Programming Interface (API)-Only accounts for Guaranty Remittance API and Remediation Review User Interface (UI). These enhancements allow for improved workflow efficiency for LGY staff and data efficiency in the delivery of the home loan and SAH benefits to Veterans.

1.1 Enhancements

Key	Component	Summary
LGY-1335910	FFPS	This enhancement updated the FFPS authentication mechanism to use eAuth and add a link to FFPS in LGYHub to comply with VA application security standards.
LGY-1350011	GR API	This enhancement automates the process for creating API-Only accounts for active lenders. This ensures compliance with the Loan Review API mandate date of November 4, 2024.
LGY-1355307	GR API	This enhancement to the Remediation Review UI in WebLGY will allow internal users to reinstate a guaranty to the full amount or remove an indemnification that was placed on the loan following the lender providing evidence showing they have performed the remediation action that was requested by VA as part of the Guaranty Remittance API.
