Release Notification

From: VALERI

Version: 23.0

Production Deployment Date: August 26, 2024 @ 8:00PM CT/9:00PM ET

Focus of Release: VALERI 23.0 release includes enhancements and updates to Veterans Affairs Servicing Purchase (VASP) definitions in VALERI and VASP receivable transactions for Partial Claims. These enhancements allow for consistent information delivery and Veterans to receive accurate loan information and timely servicing.

As part of this release, the team is addressing a bug, VASP Status Servicer Report Issue. With the fix, we are reenabling the "VA Servicing Purchase Status" report to ensure only the servicing company that owns the loan will have accessibility to see their clients loan data.

1.1 Bugs
