Enrollment Certifications

INITIAL ENROLLMENT SUBMISSION -

- The VA Enrollment Certification (VA Form 22-1999) can be submitted up to 14 calendar days prior to the start of the program.
- When submitting in advance, a correction (VA Form 22-AM1999) to the original VA Form 22-1999 must be submitted to verify attendance.
- The remarks section for the initial enrollment certification must contain the **entire length** of the program (beginning and ending date) and the **tuition and fees for the entire program**.

Please note: VA payments to the education institutions will be based on the information listed in the remarks section on the initial enrollment certification. Therefore, **you must enter the entire length of the program and the tuition and fees for the entire program in the remarks section.**

Verification of Attendance

Verification of Attendance

- An “Amended Enrollment Certification” (VA Form 22-AM1999) **MUST** be submitted to verify attendance once the veteran has started the term. This certification allows the VRRAP Processing Team to release the first VRRAP funds to the school for the certified student Veteran.
- “Verification of Attendance” must be entered in the remarks section.

Program Completion

Program Completion

- On or after the last day of the program, once the student has met all necessary requirements to be issued a Certificate of Completion, the certifying official will submit a Notice of Change in Student Status (VA Form 22-1999b) reporting “End of Term or Course” effective the last day of the term.
- A prorated amount will be paid for the portion of the program pursued if an eligible veteran withdraws and provides notice to the educational institution that he/she no longer intends to pursue the program of education

Changes to Enrollment Certifications

- The certifying official must submit a Notice of Change in Student Status (VA Form 22-1999b) to reported any changes to the enrollment certification within 30 days of the change.
- Reductions – The amount paid to the educational institution will not be prorated due to a reduction in term.

Termination

Although VRRAP terminations are processed the same as any other benefit, the impact on the Veteran is **significantly different** than any other VA benefit.

- The law states once a student receives benefits for a VRRAP program and terminates, the student cannot re-enroll or enroll in any other program under VRRAP.
- If a Veteran attends one or more day of class and terminates with the intent of re-enrolling later in the year, the veteran will not be able to re-enroll in VRRAP. Also, the Veteran will only receive MHA payment for the day or days of attendance.
- If a veteran enrolls and **terminates before the first day of term**, the Veteran can re-enroll in VRRAP.

Termination

- When submitting a termination, the SCOs must enter the number of days the Veteran attended the program.
- If the termination occurs within 14 days of the first day of term, the VRRAP processing team will contact the SCO for attendance verification.
- If the termination occurs 15 days or more after the first day of term, the VRRAP processing team will process the termination without requesting attendance verification.
- Prorated amount will be paid for the portion of the program pursued if an eligible Veteran withdraws and provides notice to the Educational Institution that he/she no longer intends to pursue the program of education
