

Edith Nourse Rogers STEM Scholarship

GI Bill beneficiaries: Are you currently training in a high demand STEM (Science, Technology, Engineering and Math) field? Learn how the Rogers STEM Scholarship may be able to provide additional benefits.

Through the **Rogers STEM Scholarship**, Post-9/11 GI Bill® students who have exhausted or are about to exhaust their entitlement may be eligible for nine months (up to \$30,000) of additional benefits. This scholarship can help GI Bill students join the STEM workforce, which is projected to grow by 8% from 2019-2029, compared to 3.7% growth in non-STEM occupations*. Review this **approved degree list** for a complete list of eligible STEM fields.

DID YOU KNOW?

In 2019, the median annual wage of STEM occupations was \$90k compared to all occupations of \$42k and non-STEM occupations of \$40k*.

NOTE: Priority for the Rogers STEM Scholarship will be given to individuals who are entitled to 100% of Post-9/11 GI Bill benefits and who require the most credit hours. The Rogers STEM Scholarship may not be transferred to dependents. Post-9/11 GI Bill academic year caps still apply.
