Purpose of Toolkit

Students using their Post-9/11 GI Bill® benefits at Institution of Higher Learning (IHL) and Non-College Degree (NCD) facilities who receive a Monthly Housing Allowance (MHA) and/or kicker payment are required to verify their enrollment each month to continue receiving their payments.

Given this new requirement, VA is providing the Monthly Enrollment Verification Communication Toolkit to help School Certifying Officials assist and serve GI Bill students.

We know that students will have questions about the new requirement, and we want to help schools address them. Within this toolkit, you will find messaging to communicate with GI Bill students about enrollment verification, including language for emails/newsletters and social media, which can be easily customized to fit your needs. Your outreach is critical to ensure that students are aware of this change and continue to receive their payments.

To streamline the enrollment verification process, the U.S. Department of Veterans Affairs (VA) is providing students with text message verification, an easy and secure method for verifying enrollment each month via text and the best way to ensure they receive their MHA/kicker payments uninterrupted. Students also have the option to verify enrollment via email.

Thank you for your continued support of GI Bill students. We look forward to continuing our partnership and appreciate your help in relaying these important changes.

Kind regards,

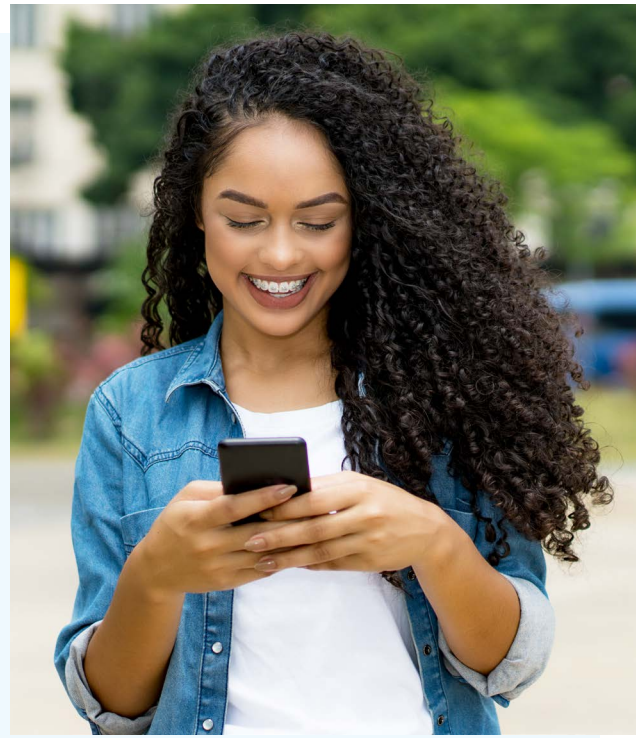

*Education Service,
Veterans Benefits Administration*

Questions and Answers

The following Q&A section provides an overview of monthly enrollment verification and addresses questions students may have pertaining to the changes. Also available is a full list of [Frequently Asked Questions](#).

1 WHAT IS MONTHLY ENROLLMENT VERIFICATION?

Enrollment verification is a new requirement for Post-9/11 GI Bill® (Chapter 33) students to verify every month that they are still enrolled in the same courses or training that their school certified to VA. It's not about verifying that they are attending classes, but whether their certified enrollment has changed.

2 WHO NEEDS TO VERIFY THEIR ENROLLMENT?

All Post-9/11 GI Bill students need to verify enrollment every month, but this requirement will be rolled out in phases through the 2021-2022 school year. Beginning with terms starting on or after December 17, 2021, students at Institution of Higher Learning (IHL) facilities who receive MHA and/or kicker payments are required to verify their enrollment. Later phases include additional populations of Post-9/11 GI Bill students. Non-College Degree (NCD) facility students are already verifying their enrollments. Once opted in, students won't need to opt in again for future terms unless they change their phone number or email address.

3 HOW DO I VERIFY ENROLLMENT?

Students now have the option to verify enrollment via text message or email. Students who opt out of text messages will be automatically enrolled in email verification as long as they have a valid email address on file. **VA strongly recommends using text or email**, but if these options are unavailable to your students, they may call the Education Call Center (ECC) at 1-888-GIBILL-1 (1-888-442-4551) to verify enrollment. Please be advised that calling the ECC may result in long wait times.

4 WHAT HAPPENS IF I DON'T VERIFY MY ENROLLMENT?

If a student fails to submit enrollment verification for **two consecutive months**, their MHA/kicker payments will be held until they verify their enrollment. For example, if their term starts in February and they fail to verify their enrollment for February and March, their April payments will be placed on hold.

Enrollment Verification

A Guide for Affected Post-9/11 GI Bill® Students

Most Post-9/11 GI Bill students who receive Monthly Housing Allowance (MHA) and/or kicker payments are required to verify enrollment at the end of each month. Utilize this infographic to learn how to verify your enrollment.

Step 1 Opt-In

For a quick and easy experience, VA highly recommends using text message verification. When your enrollment is processed by VA, you will receive a text message from VA to opt into text message verification.

- ▶ Reply "YES" to opt-in. Within 24 hours, you will receive a text confirming you have opted in.
 - The text message link will expire in 14 days. After that, you will be automatically enrolled in email verification.
- ▶ If you reply "NO" or cannot receive texts, you will be automatically enrolled in email verification.
- ▶ You don't need to opt in again for future terms unless you change your mobile phone number.

Step 2 Verify

Text: On the last day of each month, you will receive a text message requesting enrollment verification for that month.

- ▶ Reply "YES" to verify your enrollment. Within 24 hours, you will receive a text confirming you have verified your enrollment.
 - If you don't reply within 6 days, the conversation will close and you will need to call the Education Call Center (ECC) at 1-888-GIBILL-1 (1-888-442-4551) to verify your enrollment.
- ▶ If your enrollment status has changed, reply "NO." Please contact your School Certifying Official (SCO) to ensure your enrollment record with VA has been adjusted.

Email: If you opted out of text messages and/or have enrolled in email verification, on the last day of each month, you will receive an email requesting enrollment verification for that month.

- ▶ Select "Yes, my enrollment is the same" to verify your enrollment.
 - If you don't select a response within 14 days, the conversation will close and you will need to call the ECC to verify your enrollment.
- ▶ If your enrollment status has changed, select "No, my enrollment has changed." Please contact your SCO to ensure your enrollment record with VA has been adjusted.

NOTE: To find your SCO, go to the [GI Bill Comparison Tool](#) and search for your school.

OR

Step 3 Payments

If you verify enrollment each month and still qualify to receive MHA and/or kicker benefits, your payments will continue uninterrupted.

If you fail to verify for two consecutive months, your MHA and/or kicker will be placed on hold. You will need to call the ECC to verify your enrollment and have your payments released.

Dear Student,

You are receiving this message because you are **required to verify your enrollment** at the end of each month **to receive your Monthly Housing Allowance (MHA) and/or kicker payments**. We want to help you meet this new requirement so you can continue your education without any interruption in benefits.

By verifying that you are still enrolled in the same courses or training every month, you help avoid overpayments caused by changes to your training schedule and safeguard your GI Bill entitlement by preventing entitlement charges for training you did not attend.

How to Verify Your Enrollment:

We encourage students to opt into text messaging, which is a simple, quick option for verifying monthly enrollment and ensuring you receive your MHA/kicker payments uninterrupted.

All impacted students with a US mobile phone number on file should receive an opt-in text message after being enrolled in your courses. **You must respond to that text within 14 days**. After opting in, you can simply reply to a VA text message each month to verify your enrollment.

If you opt out of text message verification or do not respond to the opt-in text, you will be automatically enrolled in email verification with the email address on file with VA.
