

# When Do I Start Verifying My Enrollment?

New this 2021-22 school year, Post-9/11 GI Bill® students are required to verify their enrollment each month.

When you start depends on the type of facility you attend. VA is rolling out the requirement in phases:

## PHASE 1

Students attending **Non-College Degree (NCD) facilities** (not including students taking on-the-job, apprenticeship, flight, or **correspondence training**) who receive Monthly Housing Allowance (MHA) and/or kicker payments. **This phase has already started.**

## PHASE 2

Students attending **Institutions of Higher Learning (IHL) facilities** who receive MHA and/or kicker payments. **This phase begins with terms starting after December 17, 2021.**

## How do I know which type of facility I attend?

### IHL Facilities:

- ▶ Have Associates/Bachelors/Masters/PhD degree programs.
- ▶ Are typically traditional 2-to-4-year schools.

Visit the **[Enrollment Verification webpage](#)** for more information, including how to verify enrollment quickly and easily via text message!

### All other facilities are NCD facilities.

Some NCD facility programs (e.g. on-the-job, apprenticeship, flight, or correspondence training\*) are not yet included in this requirement.

\*On-the-job and apprenticeship training occurs by learning a skill or trade while on the job, contracted by an employer or union, rather than through formal classroom instruction.

If you have questions about the monthly verification requirement or when it applies to you, contact a VA education representative at 1-888-GIBILL-1 (1-888-442-4551) domestically or 001-918-781-5678 overseas.
