GENERAL INFORMATION

The Servicemembers' Group Life Insurance Traumatic Injury Protection (TSGLI) program provides for payment to service members who are severely injured (on or off duty) as the result of a traumatic event and suffer a loss that qualifies for payment under TSGLI. TSGLI is designed to help traumatically injured service members and their families with financial burdens associated with recovering from a severe injury. TSGLI payments range from \$25,000 to \$100,000 based on the qualifying loss suffered.

WHO IS ELIGIBLE?

Effective December 1, 2005, all service members who are insured under SGLI and ...

- experience a **traumatic event**
- that results in a **traumatic injury**
- which is listed as a **qualifying loss**

are eligible to receive a TSGLI payment. Service members who were severely injured between October 7, 2001 and November 30, 2005 may also be eligible for a TSGLI payment, regardless of where their injury occurred or whether they had SGLI coverage at the time of their injury. Members should contact their branch of service for more information.

What is a Traumatic Event?

A traumatic event is the application of external force, violence, chemical, biological, or radiological weapons, accidental ingestion of a contaminated substance, or exposure to the elements that causes damage to your body.

What is a Traumatic Injury?

A traumatic injury is the physical damage to your body that results from a traumatic event.

What is a Qualifying Loss?

A qualifying loss is a traumatic injury that is listed on the TSGLI Schedule of Losses, which lists all covered losses and payment amounts. You may view the complete Schedule of Losses and other TSGLI information at www.insurance.va.gov/sgliSite/TSGLI.htm Your branch of service TSGLI office will determine whether your injury is a qualifying loss for TSGLI purposes.

HOW TO FILE A TSGLI CLAIM

Filing a TSGLI claim is a three-step process in which the service member [or guardian, power of attorney or military trustee] and a medical professional must complete and submit the appropriate parts of the TSGLI Claim Form as follows:

Step 1	Step 2	Step 3
The service member [or guardian, power of attorney or military trustee]...	The medical professional...	The medical professional OR the service member [or guardian, power of attorney or military trustee]...
must complete Part A (pages 3 through 7) of the form and give it to a medical professional to complete Part B. Note: If a guardian or power of attorney completes Part A, they must include copies of letters of guardianship, letters of conservatorship, power of attorney, or durable power of attorney (if appropriate).	must complete Part B.	must forward Parts A & B, along with medical records that document the member's injury and resulting loss, to the member's branch of service TSGLI office listed on the front cover of this form.

COMPLETING THE FORM

Instructions on completing the TSGLI Claim Form are included in each section. When completing the form, the service member, guardian, power of attorney or military trustee **must** complete the service member's Social Security number on each page of the form. If you have questions about completing the form or if the member is deceased, please contact the branch of service TSGLI office listed on the front cover of this form.

CLAIM DECISION AND PAYMENT

Who Makes the Decision on My Claim?

Your branch of service TSGLI office will make the decision on your claim based upon the information in Parts A and B of the TSGLI Claim Form and any supporting medical documentation you provide. They will then forward their decision to the Office of Servicemembers' Group Life Insurance (OSGLI) for appropriate action.

Who Will Receive the TSGLI Payment?

Payment will be made directly to the member. If the member is incompetent, payment will be made under the appropriate letters of guardianship/conservatorship or a power of attorney to the guardian, power of attorney or military trustee on the member's behalf. If the member dies after qualifying for payment, the payment will be made to the member's current listed SGLI beneficiary(ies). The member must survive for seven days (168 hours) from the date of the traumatic event to be eligible for TSGLI.

How the TSGLI Payment Will be Made?

If your branch of service TSGLI office approves your claim, OSGLI will make the TSGLI benefit payment. There are three payment methods used for TSGLI benefits: Prudential's Alliance Account^{®*}, Electronic Funds Transfer (EFT), or check. If you do not choose a payment option, OSGLI will make the payment through Prudential's Alliance Account[®].

1. Prudential's Alliance Account^{®*} —

- 1) The funds in an Alliance Account begin earning interest immediately and will continue to earn interest until all funds are withdrawn. Interest is accrued daily, compounded daily and credited every month. The interest rate may change and will vary over time subject to a minimum rate that will not change more than once every 90 days. You will be advised in advance of any change to the minimum interest rate via your quarterly Alliance Account statement or by calling Customer Support at (877) 255-4262.
- 2) The interest rate credited to the Alliance Account is adjusted by Prudential at its discretion based on variable economic factors (including, but not limited to, prevailing market rates for short term demand deposit accounts, bank money market rates and Federal Reserve Interest rates) and may be more or less than the rate Prudential earns on the funds in the account.
- 3) An Alliance Account is an interest bearing draft account established in the beneficiary's name with a draft book. The beneficiary can write drafts for any amount up to the full amount of the proceeds. There are no monthly service fees or per draft charges and additional drafts can be ordered at no cost, but fees apply for some special services including returned drafts, stop payment orders and copies of statements/drafts.
- 4) **The funds in your Alliance Account are available immediately.** Use the drafts to access the account anytime you wish. You can write a draft to yourself (which you can cash or deposit at your own bank) or write a draft to another person or to any business as you need your funds.
- 5) Alliance Account funds are part of Prudential's General Account and are backed by the financial strength of The Prudential Insurance Company of America which has been in business and serving its customers for over 130 years. The Alliance Account is not a bank account or a bank product, and therefore, is not FDIC insured.
- 6) Accountholders cannot make deposits into an Alliance Account. Only eligible payments from other Prudential insurance policies or contracts may be added to the Alliance Account.

Note: A service member's legal guardian, military trustee, or power of attorney (POA) may choose the Alliance Account payment option as long as they submit proof of that appointment (i.e. the appropriate documentation) with the claim. The guardian, military trustee, or POA will not have their name added to the account, but will be able to sign Alliance Account drafts on behalf of the member.

2. **Electronic Funds Transfer (EFT)** — Your bank account will be electronically credited with the TSGLI payment amount. Depending on your bank, payments will be credited three to five days from the date the payment is authorized.
3. **Check Payment** — A check will be issued to the service member, guardian, power of attorney or military trustee on behalf of the member.

*Open Solutions Inc. is the Service Provider of the Prudential Alliance Account Settlement Option, a contractual obligation of The Prudential Insurance Company of America, located at 751 Broad Street, Newark, NJ 07102-3777. Draft clearing and processing support is provided by UMB Bank, N.A. **Alliance Account balances are not insured by the Federal Deposit Insurance Corporation (FDIC).** Open Solutions Inc. and UMB Bank, N.A. are not Prudential Financial companies.
